## **FIGHTING - RULE & PENALTIES**

Fighting is a flagrant act and can occur when the ball is dead or live. Fighting includes, but is not limited to acts such as:

- An attempt to strike, punch or kick an opponent with a fist, hands, arms, leg or feet regardless of whether contact is made.
- An attempt to instigate a fight by committing unsporting acts toward an opponent that causes an opponent to retaliate by fighting.

### **PLAYERS IN FIGHT:**

If A1 and B1 fight during a live or dead ball, they are charged with flagrant technical fouls and disqualified from the game. There are no free throws since this is a double foul. Charge each team with one foul toward the bonus and use the alternating possession arrow to resume play unless there is player/team control.

### **BENCH PERSONNEL:**

#### **a. Leave Bench and Participate in Fight**

If a player (or players) leaves the bench during a fight and **participates in the fight** that player (or players) is charged with a flagrant technical foul and is disqualified. The head coach is charged with **an indirect foul for each player** who participates in the fight and is disqualified. A team foul is charged for each disqualified player. If the same number of bench personnel leave the bench, there will be no free throws.

#### **b. Leave Bench and Do Not Participate in Fight**

If a player (or players) leaves the bench during a fight or when a fight may break out and **do not fight**, they are charged with a flagrant technical foul and disqualified. The head coach is charged with **ONE indirect foul** regardless of the number of offenders. A team foul is charged for each disqualified player.
