

CENTRAL CONNECTICUT BOARD #6
of
Approved Basketball Officials

One Rule + One Mechanic + One Interpretation = the Board #6 Way

"Making A Difference In The Game"

IAABO University
Online Rules Course

Our national IAABO office has developed course modules for rules and Crew of 2 Mechanics called **IAABO University (IAABO-U)**.

Here is how it works:

1. complete the Bd. 6 on-line application on our website – www.iaabo6.org,
2. you will be contacted by a Bd 6 liaison
3. you will be directed to our IAABO national office to gain access to the IAABO-U course modules and pay \$75 to enroll.
4. you will be allowed three (3) months to review the IAABO-U course modules and then complete the rules exam. If you have questions about course material during your review period, you contact the Board 6 liaison directly via e-mail or phone.
5. if you pass the IAABO-U rules exam and complete the Crew of 2 Mechanics modules, you will then be required to pass a criminal background check administered by the CT Interscholastic Athletic Conference (CIAC).
6. you are then **required to pay your annual member dues**, which will make you an IAABO Bd 6 member. More information about IAABO Bd #6 membership responsibilities will be communicated at that time.
7. you will be required to purchase a referee uniform at our local supplier (shirt, pants, shoes, jacket, whistles).
8. you will then be eligible to be assigned middle school and/or freshman games in your 1st year.

If you have questions about IAABO-U, please respond directly via an e-mail to either:

Secretary/Treasurer Peter Palermino – ppalermino@comcast.net
Rules Interpreter Charlene Shepard - charleneshpard@hotmail.com.
